El Camino Real

San Gabriel High School

San Gabriel, California

Matadors:

Early in the school year the members of the yearbook staff were considering possible themes for this twelfth edition of **El Camino Real.** It seemed to us that during our school's first eleven years every conceivable topic had been presented, and then the idea came. Obvious things are often most difficult to see and most frequently taken for granted. What are such things? Our homes, our religions? Yes, these and one more—our country! With our nation's maturity has come increased national responsibility together with criticism from groups at home and abroad. The danger of such criticism is that we may forget the fine things about America: our heritage of strong optimism, of pride in personal achievement, of individual initiative, of free speech, of unrestricted worship, of public education, of democratic action and of service to others. Such traditions are forgotten by those who find fault but offer no solutions to great problems. At San Gabriel High School we have learned what it is to live in and take an active part in the growth of a great nation built on solid traditions. We are honored to have had that experience. So with these ideas in mind, we have prepared the following pages recording what it was like during the 1966-67 school year TO BE AN AMERICAN.

The staff of the EL CAMINO REAL wishes to dedicate this twelfth edition of the San Gabriel High School yearbook to a very special group of our alumni. This group includes those graduates who have made personal sacrifices in the best American tradition of service to our country at home and in foreign lands. So in keeping with our theme, **To Be An American,** we dedicate this book to our **Alumni in Service.**

Dedication

"In an age of fops and toys,
Wanting wisdom, void of right,
Who shall nerve heroic boys
To hazard all in Freedom's fight—
Break sharply off their jolly games,
Forsake their comrades gay
And quit proud homes and youthful
dames
For famine, toil, and fray?
Yet on the nimble air benign
Speed nimbler messages,
That waft the breath of grace divine
To hearts in sloth and ease.
So nigh is grandeur to our dust,
So near is God to man,
When duty whispers low, **Thou must,**
The youth replies, **I can.**"

Mr. Arthur H. Kruger

The youth of our country are confronted with many serious and perplexing problems. Upon graduating from high school they must decide if they wish to continue their formal education, and if so, which college to attend. When enrolling they must decide their course of instruction. Sooner or later they may be encouraged to become involved in some freedom cause. They will probably go through a period of rebellion against authority and conformity. Eventually they may be asked to take a stand on the Viet Nam war.

Any one of these problems would be cause for concern. When faced with all of them it might lead to cynicism and despair. At times like this it is always wise to go back and re-read about the lives of some of our great leaders of the past—leaders who became great because they too had problems and found solutions to them. Our country had its birth during a period of strife, dissension, and revolution. Yet, because men in the past were willing to work for solutions to the problems that confronted them, we have become the most powerful nation in the world.

It is my hope that you the graduates of 1967 have received enough security, love, and affection from your families, spiritual strength from your church affiliation, and academic knowledge from your schools to help you solve the problems in your future.

Best wishes in the years ahead.

Election to Los Renombrados is the highest honor a senior may receive. Membership in this organization indicates an outstanding record of service to San Gabriel High School and the community, exceptional leadership, a B average, and excellent citizenship. Nominations and selections are made by the Senior Council, the Faculty, and the Administration and are announced during a special assembly. Seniors selected exemplify the characteristics of the finest Matadors.

The Matador Staff

KAREN KNAPP
Editor—Semester I

NELSON TREECE
Editor—Semester II

MRS. WYNNE
Advisor

Too many students think that the school newspaper should be an organ for the expression of opinion, an instrument for the proposal of radical ideas to the administration. Although the **Matador** does present the opinions of the students, its functions and responsibilities carry far beyond this.

The Matador serves to recognize accomplishment, to keep students informed and up-to-date concerning school activities, to disseminate important information, and also to function as an image-maker for San Gabriel High School.

To the more than 200 high schools across the country who receive **The Matador** every week, to many local officials and civic leaders, and even to some SGHS parents, our school newspaper is the only picture of San Gabriel High School they will ever see.

Accurate coverage of news, timely and interesting features, responsible expression of editorial opinion, all go to make **The Matador** the all-American paper that it is.

We, the editors, wish to thank our staff for the work they contributed these last two semesters, and to wish the new staff the best next year.

We also wish to thank our advisor, Mrs. Barbara Wynne, for her help and guidance. But most of all, we wish to thank you, the students, for your support.

With your continued enthusiasm, we are sure that the high quality of **The Matador** will continue in the years to come.

ACTIVE PARTICIPATION COMMENCES THE YEAR

In September came the beginning of a new school year and the frenzy of academic and extracurricular life. SGHS opened its doors to the largest enrollment of its history, the frosh were welcomed with a tea and a picnic given by the Girl's League, and loyal Matadors purchased their ASB cards. Our first victorious football game provided a successful close for the month.

OCTOBER

TRICKS

AND

TREATS

Living in the heat of an Indian summer, SGHS students found October filled with memorable events. An atmosphere of the jungle provided the perfect background for the "Tarzan Tie-Up," our first backward dance of the year. Mothers and fathers once again entered school on "Back-to-School Night," a night for parents to remember the "good ole' days." The **El Camino Real** staff encouraged students to buy annuals as October came to an end.

Parents listen attentively to Mr. Beckett's explanation of his course on Back-to-School Night.

November Events

Norma Mendoza, former Miss San Gabriel, presents roses to Windy Anders, who will reign as Miss San Gabriel for "66-67."

Drifting with the leaves of November was the excitement of November activities. Students promoted the sale of tickets for the Booster Breakfast while high expectation developed among those students who were looking forward to their victory in the Faculty-Varsity Basketball game. Activities also included two contests between beauties of San Gabriel. Miss San Gabriel was selected to reign during the year, while the chief attraction for all SGHS students was the crowning of the Homecoming Queen.

The tables are turned as the coaches of SGHS cook breakfast for the Booster Club at Crawford's Corner.

ROYALTY REIGNS OVER FALL FESTIVITIES

Not only football enthusiasts but also eager parents and students filled the Mark Keppel stadium to see the 1966 Homecoming queen announced. Tension mounted as half-time ceremonies began. The winning float, constructed by the Mauna Loa Tri-Hi Y club, led the way for the convertibles carrying the Homecoming candidates. The drill team, pep squad, and band lined up to form the arch through which the candidates passed to receive the anticipated announcement of the queen. Tradition was observed and dreams fulfilled as the scepter was presented to Queen Sue Morse by ASB President Joe Alfred. Brenda Buck, Kim Lingel, Cherie Moscatelli, and Colleen Cunningham reigned as attendants at the game and the Homecoming dance.

A New Year Ends Old Semester And Starts New Events

In January came the return to school life and the approach of the end of the semester. Juniors and Seniors took the SAT test, and girls with their fathers attended the annual Father-Daughter Banquet. Also the month was filled with the excitement of elections for school offices and changes in schedules for the beginning of the second semester.

As spectators watch, the car smash begins with encouragement from Coach Putman.

February, A Month Of Hearts And Flowers

February was a month of varied activities. Early in the month San Gabriel held a successful concert in which "The Knack," the "Hearts and Flowers," and "The Mob" performed. Later the Matador Band, the Drill Team, and the Pep Squad marched in the Temple City Camellia Parade. With the CIF playoff and the end of the basketball season came the close of February.

Celso Almeida and Marriane Fuchsberger were warmly welcomed at a tea given by the school.

Marriane Fuchsberger from Austria, and Celso Almeida from Brazil were the two AFS students who attended San Gabriel High. During the summer of "66," Karen Colpitts represented the United States in Brazil for three months. The closing of another year brings a closer understanding with other countries through the American Field Service.

WE NEED GIANT-KILLERS TOO.

Pacific Telephone faces a big challenge—that of providing California with the most modern communications system possible. If you have some of the ambition and resourcefulness of the legendary Jack the Giant-Killer, you could help us tackle this gigantic task.

We need men and women from diverse educational backgrounds—high school graduates on up—and with diverse interests, technical and commercial. So make a date with your counselor to talk over your future. And ask him about the many advantages of a career in communications—at Pacific Telephone.
